

Yarmouk University
Faculty of Information Technology and
Computer Sciences

Department of Computer Information
Systems

Study plan for Mater Program in
Computer Information Systems

Comprehensive Exam Track

2017

First: Admission Requirements

Applicants to the Master program in Computer Information Systems must:

1. Hold a Bachelor degree in any of the majors of Information Technology, Computer Science, and Computer Engineering. It is possible also to consider applicants from other disciplines related to information technology.
2. Pass the language requirement to join the program according to Yarmouk University regulations
3. Fulfil any other requirements that are required by Yarmouk University Councils and Committee.

Second: Maser degree in computer information systems/comprehensive exam track – is awarded after the completion of the following requirements:

1. Fulfillment of the M.Sc. awarding regulations No. (3) for the year 2011.
2. Completion of the remedial and / or prerequisite courses recommended by the Graduate Study Committee in the department.
3. Passing at least 33 credit hours of the 600 level courses (with a minimum GPA 75%) as follows:

A. Compulsory courses (24 credits) as follows:

#	Course Code	Course Name	Credit Hours
1	CIS 641	Advanced Software Engineering	3
2	CIS 642	Software Modeling and Design	3
3	CIS 662	Advanced Database Systems	3
4	CIS 667	Advanced Data Mining	3
5	CIS 660	Data Science	3
6	CIS 683	Web Technology	3
7	CIS 687	Advanced Data Security and Privacy	3
8	CIS 695	Graduation Project	3

B. Elective courses for a total of (9) credits selected from the following group of courses

#	Course Code	Course Name	Credit Hours
1	CIS 668	Advanced data warehousing	3
2	CIS 669	Big data management	3
3	CIS 665	Practical Data Analytics	3
4	MIS 682	Business Intelligence and Analytics	3
5	CIS 643	Requirement Engineering	3
6	CIS 644	Software Testing and Performance Assessment	3
7	CIS 648	Software Maintenance and Re-engineering	3
8	CIS 646	Aspect Orientation	3
9	CIS 647	Software Reuse	3
10	CIS 601	Research Methodology	3
11	CIS 666	Web-Based Information Retrieval Systems	3
12	CIS 633	Advanced Distributed Systems	3
13	CIS 685	Internet of Things: Multimedia Technology	3
14	CIS 686	Social Networks Analysis on Internet	3
15	CIS 691	Special Topics	3

- 4. Passing the comprehensive exam (CIS 698) according to the Yarmouk university regulations and it is accredited a zero hour for the registration purposes.**
